The Westland Teen Advisory Board is a group of middle and high school students who use the library and want to have a say in how it runs.

We meet on Tuesdays and talk about things like what books we should buy, whether we should have certain programs, what kinds of prizes we should offer, and any other ideas for making the teen program better.

The TAB is free to join and we'll feed you dinner just for coming! Anyone in middle or high school is welcome to come to the meetings, but you need to fill out this registration form to get on our calling list and to be considered a member of the TAB. Until you're a member, you won't be able to vote and you won't get notified when there is meeting.

We are looking for people who care about the library, like coming to programs, are creative, artistic, good leaders, and good readers. If you are any or all of the above, we'd love to meet you!
